PETITION TO WITHDRAWAL HOLDING OF ABANDONMENT

PURSUANT TO 37 CFR § 1.181

A Notice of Abandonment (Notice) was mailed by the United States Patent and Trademark Office (US PTO) in the above case on October 17, 2006.

Specifically, the Notice states that the application was abandoned in view of Applicant's failure to timely file a proper reply to the Office letter mailed on April 5, 2006.

An office action was mailed on 10/18/06. Applicant filed a reply on 1/18/06. The office action of 4/5/06 concluded (incorrectly) that Applicant's reply filed 1/18/06 was non-responsive. After speaking with the Examiner's supervisor and subsequently conducting a telephone interview with Examiner Payne, Examiner Payne stated that he would issue a new office action. The Examiner then issued an Interview Summary indicating that he would withdraw the non-responsive office letter and would issue a new office action. Applicant also summarized the interview in its Interview Summary filed 5/2/06.

In summary, the Examiner indicated that the reply filed on 1/18/06 was responsive, that the conclusion in the office action dated 4/5/06 that the Applicant's reply was non-responsive were incorrect, that Examiner Payne would issue a new office action, and that Applicant should await a new office action.
